Otis Elevator Company é líder mundial na fabricação e manutenção de produtos de transporte vertical, incluindo elevadores, escadas e tapetes rolantes.

Fundada há mais de 160 anos por Elisha Graves Otis, o inventor do elevador seguro, a Otis providencia produtos e serviços em mais de 200 países e territórios e faz a manutenção de mais de 1,9 milhões de elevadores e escadas em todo o mundo.

Otis faz parte do grupo United Technologies Corp., líder mundial fornecedor de sistemas para a indústria aeroespacial e para a construção.

CabCreate™ é uma aplicação com finalidade meramente ilustrativa. As cores e acabamentos reais podem variar comparativamente às imagens digitais. Para garantia de uma máxima fidelidade e reprodução das cores, consulte um técnico comercial da Otis.
