Organizational Structure (Locations) & Invoice Mailing Addresses

Invoice Instructions

Otis determines the type¹ of purchase order based on 1) location and 2) goods and/or services being purchased. By following these instructions your invoice(s) are routed to the correct AP queue, therefore processed timely and without delays.

Equally important are the instructions for attaching invoices to the email. This ensures the attachment can be automatically read and all invoices are uploaded for processing. If successful, you will receive a system generated email confirmation. Or, you will receive a system generated rejection email notification.

Instructions for Program Enrollment

Electronic Funds Transfer

To ensure suppliers can apply our payment(s) correctly, Otis will email you the remittance information (aka remittance advice) when funds are electronically transferred. This provides you with a list of invoice number(s), and other pertinent information, to reconcile the amount deposited into your bank account.

Complete the EFT Enrollment Form

1. Download from (<https://www.otis.com/en/us/our-company/suppliers>) or, refer to page 1
2. Sections applicable to ACH/EFT Remittance Information
 - a. "Supplier's email address": Will receive an email, with the remittance information provided via a PDF file attachment.
 - b. "Option to receive remittance information via CTX": **Applicable to payments made via ACH**
 In addition to receiving an email, Otis sends the remittance information to the supplier's bank when the money is transferred. As banks offer different electronic funds transfer services, you need to talk with your bank to understand how you can view/receive the remittance information.

J.P. Morgan's Single-Use AccountsSM Virtual Card Payment Program

³Excludes: Otis' New Equipment Business Factory in Florence SC

While you may already accept credit card payments, you will need to enroll in J.P. Morgan's SUA program.

Completing enrollment will let J.P. Morgan know you wish to participate, and you permit J.P. Morgan to send you virtual card payments. The acceptance of SUA payments comes with no additional costs from J.P. Morgan or Otis, but merchant processing fees apply.

Complete the Virtual Card Payment Enrollment Form

1. Download from (<https://www.otis.com/en/us/our-company/suppliers>) or, refer to page 1
2. Within two to three business days from Otis receiving the enrollment form, you will receive a welcome email from Otis with instructions on processing SUA payments.

If you have questions about the SUA payment program, please email otisvirtualcard@otis.com

Thank you,
